Dear Band Parents/Guardians

It gives me great pleasure to write and inform you that Band Camp has been a tremendous success. I could not be more proud of the band's achievements during our rehearsals. We have rehearsed nearly 25 pep band tunes ranging from country to pop music, introduced a Latin/Spanish influenced halftime show, and learned all the basic marching band fundamentals. The students have been working very hard and their work does not go unnoticed. Hopefully, by the time you receive this letter, you have had the opportunity to hear the band perform during the Marsh Bowl and Horicon's John Deere Celebration Parade.

As many of you know, the band is planning on travelling to Orlando, Florida this year over Spring Break. The planning has already begun for this trip. However, I would like to have a parent information night August 31, 2011 at 6:30 PM in the band room. At this meeting I will outline the tour and discuss the cost of the trip. We have two options of travel. One is flying to Orlando and the other is riding a coach bus to Orlando. If we fly, the trip is going to roughly cost \$1100. If we drive, the trip is going to cost \$800, we leave on Easter Sunday, and the band will have one less performance while in Orlando Florida. It is my goal to receive your input in regards to forms of travel and begin to establish an itinerary for the trip.

This trip to Florida is a large commitment and, with your feedback early in the planning process, we can create an itinerary that is meaningful and rewarding. I hope you can attend the parent meeting on August 31, 2011 at 6:30 PM in the high school band room. If you cannot attend the meeting I would appreciate you emailing me with your thoughts on traveling. Do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Jonathan Poquette
